## **GENERAL INSTRUCTIONS AND INFORMATION**

Your motor vehicle fuels tax refund claim on fuel purchased during the preceding calendar year must:

- (1) be filed with the Department of Revenue Services on or before the last day of May; AND
- (2) involve at least 200 gallons of fuel.

Please provide a telephone number where we can reach you.

In order to expedite the processing of your claim, please indicate your Connecticut tax registration number or social security number in the space provided.

You must attach the original (or a photocopy) of each numbered slip or invoice that was issued to you at the time of each purchase of fuel. The slip or invoice must indicate the date of purchase, the name and address of the seller (which must be printed or rubber stamped on the slip or invoice), the name and address of the purchaser (which must be the name and address of the person or entity filing the claim for refund), the number of gallons of fuel being purchased and the price per gallon.

You must maintain records that substantiate your refund claim for at least three years following the filing of the claim and make them available to the Department of Revenue Service upon request.

You must include a copy of your current farmer's tax exemption permit. Failure to do so will result in your refund claim being charged Connecticut business use tax and deducted from your gross refund amount.

If you need information or assistance, please call the Excise/Public Services Taxes Unit at 860-541-3225, Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m.

YOUR REFUND WILL BE APPLIED AGAINST ANY OUTSTANDING DEPARTMENT OF REVENUE SERVICES TAX LIABILITY.
